The screenshot displays the SML E-Platform interface. At the top, the header includes the SML logo and navigation menus. The main content area is titled "Order Information-*** New *** (Test123x)" and "Item Selection". A "Product Search Dialog" is open, showing search criteria for "Customer Item Code: JCWL 1424". The dialog includes fields for Product Code (SML), Product Desc, Style Desc, Main Program (JR - J.CREW), Sub Program (All), and Ordering Type (External Ordering). A "Search" button is visible. Below the dialog, a table displays search results:

| # | Product Im | RFID | Customer Item Code | Product Desc |
|---|-------------|------|--------------------|--------------|
| 1 | n/available | | JCWL 1424 | LUDLOW SU |

Yellow callout boxes with arrows point to the following elements:

- Enter item code**: Points to the "Customer Item Code" input field in the search dialog.
- Search for product(s)**: Points to the "Search" button in the search dialog.
- Add product to order**: Points to the "Add" button at the bottom right of the search results table.
- Exit screen**: Points to the "Close" button at the bottom right of the search dialog.
